

CHAPTER 19 ACTIVITY
Understanding

Directions: Read the following terms and classify each as either an intentional tort or a defense to an intentional tort. Write the name of each intentional tort inside one of the ovals, and then write the defenses that apply to that tort in the rectangles under the oval. The first one is done for you. You may need to use a term more than once.

- | | | |
|------------------------|--|--------------------|
| battery | lack of malice | false imprisonment |
| consent | opinion | first sale |
| copyright infringement | privilege of legal authority | self-defense |
| defamation | privilege to temporarily detain shoplifter | truth |
| fair use | | |
